## PETER NGUGI

Computer Science Intern

An enthusiastic student of computer science with extensive experience in machine learning and networking, who has shown ability in troubleshooting, performance optimization, and network configuration competent in Python for applications integrating machine learning. Eager to use expertise and dedication to lead significant tasks in a dynamic setting.

### Experience

#### Computer Science Intern

**Chuka university** *Chuka, Kenya*

May 2023 - Jul 2023

I developed my skills in networking protocols and configuration, network troubleshooting, and cooperative problem-solving while working as a computer science intern at Chuka University. In the quickly changing field of networking, I proved that I was committed to lifelong learning and flexibility, and I also developed strong documentation skills.

### Education

#### Bachelor of science in Computer Science

**Chuka University** *Chuka, Kenya*

Sep 2021 - Present

#### Computer Packages

**Jimsa Computer College** *Nyahururu, Kenya*

May 2021 - Jun 2021

### IT Skills

- Networking Protocols (TCP/IP, DNS, DHCP)
- Network Configuration and Optimization
- Troubleshooting Network Issues
- Python Programming for Machine Learning Applications
- Proficient in Word, Excel, and PowerPoint from the Microsoft Office Suite
- Collaborative Issue-Solving
- Documentation and Reporting
- Continuous Learning and Adaptability
